Part 2: ACCESS TO CAPITAL

Are you looking for capital to grow your business?

Would you like a crash course in loan preparedness, with tangible tools and resources you can use immediately?

YOU'LL LEARN ABOUT:

- Available financing options and which ones are right for you
- How to maximize your chances of secure credit at the best terms possible
- How lenders will evaluate your business
- Personal and business credit, and credit repair

ATTENDEES SHOULD:

- Have at least two years in business
- Have positive cash flow, or be close to break-even
- Not be a home based business
- Have opportunities to grow and secure additional capital
