KEYNOTE SPEAKER
Edward P. Mangano
Nassau County Executive

AHRC Nassau and NYSID welcome employers to learn how government and private sector businesses can create a stronger workforce by employing differently-abled workers. Free screening, training, job coaching, tax incentives and other employer benefits will be addressed. Also learn how your company can fill its subcontracting and recycling needs through AHRC's state of the art facilities. A tour of AHRC Freeport Work Center will follow the brief program. ■
