

SMALL BUSINESS **FREE** SEMINAR

ACCESS TO CAPITAL

Join TD Bank and the Long Island Development Corporation to learn more about money available for your business from banks, Micro Loans and other non-traditional sources. Small Business Owners have a range of credit needs and not all small business products will meet that need. Knowing what's available will help determine the product that fits your needs the best.

Date: Thursday, March 10, 2011

Time: 8:30am – 10:30am

Place: TD Bank
324 South Service Road
Melville, NY 11747

Light refreshments will be served.
